Re: Appeal of PD 06-314 CC/Wal-Mart Super Center Site Plan Approval

The Gray's Creek Association, on behalf of the residents of the Gray's Creek Area and other interested parties, hereby appeal the July 10, 2008 decision of the Memphis and Shelby County Land Use Control Board to approve PD 06-314 CC/Wal-Mart Super Center Site Plan.

Enclosed are three checks for the required filing fees.

We request for this matter to be heard first by the Shelby County Commission and, also, to allow adequate time for preparation, we ask for the matter to be placed on the Commission's agenda for its second meeting in September.

Respectfully,

David Sanders
