RE: Mow-to-Own Program Property Transfer; Parcel # 060060 00022

Dear Gloria:

City of Memphis Real Estate department has been assigned to manage Mow-to-Own Program. The program was created to help alleviate blight in the City of Memphis/Shelby County by allowing property owners and non-profit organizations to acquire vacant lots by earning credits towards the purchase of eligible lots by cutting and raking. Per the Mow-to-Own program procedures that were created by the city and county, the City is hereby requesting that Parcel # 060060 00022 (1946 Warren Street) to be transferred from Shelby County to the City of Memphis for the purpose of entering the properties into the Mow-to-Own Program.

Shelby County acquired parcel number 060060 00022 (1946 Warren Street) as part of Shelby County tax sale 10.02 EHX #1280.

Should you have any questions call me at 901-576-6338 or email carlton.osborne@memphistn.gov .

Sincerely,

Carlton B. Osborne
Senior Right of Way Agent
