Shelby County Charitable Initiative

Gameday Baseball would benefit from the following:

Tarp for Conway Field.....	\$5,000.00
Tarp for Campbell Clinic Field.....	\$5,000.00
Tarp for Methodist Field.....	\$5,000.00
<u>Tarp for Juice Plus Field.....</u>	<u>\$5,000.00</u>
Total	\$20,000.00

A rain-soaked baseball field can have negative effects in a variety of ways. Injuries to athletes can occur due to slippery conditions. Second, field maintenance budgets will take a hit if water-logged turf or infield dirt needs to be replaced. Finally, teams that use the field will not be able to play their games when the field is unusable.
