We meet bi-monthly for fellowship and guest speakers of interest who share with us in the areas of their expertise. We hold an annual ART Fest in support of our artists which also supports other local agencies with some of the proceeds from the art sales. We have held CERT disaster preparedness training classes as well. We have organized and have a 5-Captain Neighborhood Watch Team. In 2014, we celebrated our 60th anniversary as one of the oldest. still very active civic clubs in the Shelby County which was commemorated by proclamation by the State of TN Legislature and the Shelby County government.

Please explain the specific project including a statement of its primary purpose and the need or problem that you are seeking to address.

Our kitchen and bathroom sinks have held up for 60 years but are barely operational now. We desperately need chair leg caps for our metal chairs in order to provide stability. We plan to expand our parking area so that more parking spots can be available to patrons particularly during elections as this is one of the election polling places.

How does the project contribute to your organization's overall mission?

The updating of some of the facilities amenities is vital to our mission of reaching out to and keeping our community members informed, safe and prepared which goes hand in hand with our mission of the 60+ years we have served this area of our county through this club.
