(Section Break)

INTRODUCTION AND BACKGROUND OF ORGANIZATION

<p>Please summarize in a short paragraph the purpose of your agency. Briefly explain why your agency is requesting this grant, what outcomes you hope to achieve, and how you will spend the funds if a grant is made.</p>	<p>New Growth In Christ Christian Center is a multicultural, international, congregation fulfilling the plan of God in Southeast Memphis and throughout the world. At our weekly services, you will find people growing in God and learning to apply kingdom principles to everyday living. During our Sunday morning and Wednesday evening services and our I. AM summer camp, we are helping to empower our youth academically, socially and physically through programs that encourage/foster personal development and individual responsibility. In 2016, we endeavor to reach out and empower the children in the communities serving Southwind High School and Lowrance school. These funds will specifically be used for 2 initiatives that are particularly active during our summer camp: Growing UP Men and Girl, Beautiful. We also look forward to purchasing additional computers to add to a computer lab. We see the huge need to train our children in the areas of IT and computer programming.</p>

(Section Break)

Narrative - Funding Request

Please describe the program/project for which you seek funding and include how it will benefit the general welfare of residents in Shelby County, TN.

The I.AM summer camp is a day camp for ages 6-13. Two crucial initiatives are held during the summer camp as drop-in options for non- summer camp participants in the neighboring communities. Growing UP Men will train young men, ages 7-17 in life skills, arts & crafts, personal development and social enhancements. Girl, Beautiful will encourage young ladies ages 7-17 to develop healthy self-esteem and learn life skills specific to their personal development.

General Operating Support

If applying for general operating support, briefly describe how this grant will be used.

To purchase computers, crafts and other items to further our collective agendas as previously stated.

Project Support

Please explain the specific project including a statement of its primary purpose and the need or problem that you are seeking to address.

We seek improvement in the family dynamics within our communities. By training our young men in life skills and our young ladies in the same as well as emotional development, we hope to see personal responsibility evolve and productive choices embraced. We also see a shortage in the Information Technology field and would like to address it by offering a year-round computer lab equipped to train students in programming and other technical areas.

How does the project contribute to your organization's overall mission?

Helping to enhance our families and communities one child at a time.
