RE: Mow-to-Own Program Property Transfer; Parcel # 083034 00018

Dear Gloria:

City of Memphis Real Estate department has been assigned to manage Mow-to-Own Program. The program was created to help alleviate blight in the City of Memphis/Shelby County by allowing property owners and non-profit organizations to acquire vacant lots by earning credits towards the purchase of eligible lots by cutting and raking. Per the Mow-to-Own program procedures that were created by the city and county, the City is hereby requesting that Parcel # 083034 00018 (2601 New Raleigh Rd) to be transferred from Shelby County to the City of Memphis for the purpose of entering the properties into the Mow-to-Own Program.

Shelby County acquired parcel number 083034 00018 (2601 New Raleigh Rd) in 2011 as part of Shelby County tax sale 0903 EHX #441.

Should you have any questions call me at 901-576-6338 or email carlton.osborne@memphistn.gov.

Sincerely,

Carlton B. Osborne
