* Developer shall maintain All COS Areas until such Time That A Homeowner Assoc is formed.

This is the registered plat for the second phase. I included the hand written condition, not found on the first plat, which indicates the Developer is responsible for maintaining the COS Areas until a home owners association is formed. The COS Lot B parcel is shown as owned by the Sutton Place Homeowners Association, 1000 Brookfield Ave. Memphis, TN 38119. It was transferred to the Association by HBT Investments LLC by quitclaim deed in January of 2009
