

SUMMARY SHEET

I. Description of Item

This Resolution approves the donation of a ten (10) feet wide strip of property to Shelby County from the Rudolph Jones, Jr., family for the purpose of widening Canada Road necessary to add a turn lane at the new City of Lakeland elementary school driveway entrance to accommodate anticipated school traffic. This segment of Canada Road, along this new school's frontage, is located within unincorporated Shelby County and is presently a forty (40) foot wide, roadway right-of-way. County Engineering has required the construction of a left turn lane to accommodate anticipated school traffic, thus making it necessary to widen this segment of Canada Road by an additional ten (10) feet, which is more particularly described on the attached Survey Drawing (SURVEY DRAWING), which is attached as Exhibit "A". Based upon the above, the Administration recommends that said property donation for additional roadway right-of-way be approved.

II. Source and Amount of Funding

No County funds required. The City of Lakeland will be responsible for the necessary roadway improvements.
