Briefly state why you want to be a member of this committee and why you feel qualified to serve as an employee representative:

Since 2012, I have desired to serve the citizens and employees of Shelby County, as more than just an Environmentalist, but also as an advocate for people who are unable to connect with the appropriate people or groups to facilitate change. I continuously study the policies and procedures that have been given to all employees to ensure that I am serving our government in the best way possible. If I ever have a question or concern about the policies that are in place, I discuss them and recommend appropriate changes when opportunities arise. Becoming a member of the Unified Personnel Policy Committee will allow me to not only voice concerns and recommend appropriate changes, but to also share the concerns of fellow Shelby County employees. Not only will I potentially advocate changes, but I will be able to communicate approved minutes to my co-workers to keep them informed.
